Chapter 1: Situational Analysis of District

Map of the District ,Block

1.1 Demographic and Socio Economic feature – Population, Sex Ratio etc Administrative Feature – Blocks, Tehsils, Villages

S. No	Background Characteristics	Blocks			District Total
	Identifiable Information				
1	Geographic Area (in Sq. Kms)				
2	Size of Villages (2001 Census)				
	1-500				
	501-2000				
	2001-5000				
	5000+				
3	Number of towns				
	Demographic Characteristics				
4	Total Population (2001)				
	Urban				
	Rural				
5	%SC population				
	%ST population				
6	Density- per sq. km.				
7	Sex Ratio (F/M*1000)				
	• Population Sex Ratio				
	• Child Sex Ratio				
8	Decadal growth rate				
9	Total Fertility Rate				
10	Crude Birth Rate				
11	Crude Death Rate				
12	Infant Mortality Rate				
13	Maternal Mortality Ratio				
14	Literacy Rate (6+ Pop)				
	-Male				
	-Female				

Socio Economic Characteristics					
15	No of families below poverty line				
16	No of Aata Dal Families				
17	PCI of the District				
18	% of villages having access to safe drinking water facility				
19	% of households having sanitation facility (Specify Type -sewer, septic tank)				
20	No of AWC No of Children enrolled in AWC				
21	No of Primary schools No of Primary school teachers No of children enrolled Boys Girls				
22	No of High/Sr Secondary Schools No of High/Sr Secondary school teachers No of children enrolled Boys Girls				

Village wise Data attached in Annexure -1

1.2 Functionality of District Hospitals, CHCs, PHCs and Subcentres (in terms of availability of Infrastructure)

Summary of District

Health Facility	Number		Gap
	Required as per norm	Available	
District Hospital			
Medical College Hospital			
AYUSH Colleges and Hospitals			
Sub Divisional Hospitals (Based on actual SD in District)			
Rural Hospitals			
UFWC			
CHC including Identified FRUs (as per population norms)			
PHC (as per population norms)			
Subcentre (as per population norms)			
Ayurvedic Dispensary			
Homeopathic Dispensary			

Details of the District-Block wise

Name of Block —————→	Block	Block	Block	DH	Total	Gap
DH						
SDH						
No. of CHC-PHSC						
No. of Blood Banks						
No. of CHCs -DHS						
No. of Blood Storage Units						
No. of PHCs in the Block						
No. of 24 hrs. PHCs						
No. of MTP Centres						
No. of Subsidiary Health Centres						
No. of Sub Health Centres						
No. of Sub-centres covering more than the norm (5000/)						
No. of AYUSH Dispensaries						
No. of Anganwadi Centres						
No. of Ultrasound Clinics	Govt.					
	Private					

Status of Buildings in the District

Sub-Centre (SC) Status :

Sub Centres	Block	Block	Block	Block	No.	Overall Status
Sub-Centres in own building						
Sub-Centre in Panchyat Building.						
SC in rented Building						
SC without Electricity						
SC without Water Supply						
SC without Toilets						

Primary Health Centres :

Primary Health Centers	Block	Block	Block	Block	No.	Overall Status
Total PHCs						
24 hour PHC						
PHC in own building						
PHC in Panchyat Building.						
PHC in rented Building						
Total PHC Without Labour Room 24x7 PHC without Labour Room						
PHC without Electricity						
PHC without Water Supply						
PHC without Toilets						
Total beds						
Percentage of bed occupancy						
Average No. of OPD cases						
No. of indoor cases						
Up gradation required						

Community Health Centres:

Community Health Centres	CHC	CHC	CHC	Total
Total CHCs PHSC DHS				
Total no. of beds PHSC DHS				
Annual OPD cases PHSC DHS				
Total no. of indoor admissions PHSC DHS				
Bed occupancy rate PHSC DHS				
Total no. of deliveries PHSC DHS				
Up gradation				
Vehicle/Ambulance PHSC DHS				
Ambulance with NGO partner PHSC DHS				

Status of Staff Quarters attached to CHCs, PHCs in the District

Category	Numbers (if not existing in Govt. building)	Size in sq. mts. of one unit <i>Please give the size for each category</i>	Condition* (G: Good, NMR: Needs Minor Repairs, MR: Needs Major Repairs, NAD: Needs Additions)
Community Health Centre			
Primary Health Centre
