

Subject- Delivery Kits

1. **Normal and Caesarean delivery-** As per reports received from various districts the supply has been made after purchase on a large scale and delivered in all the hospitals. Medical Supdt, Civil Hospital, Jalandhar has submitted that some of the important items like Injection Methergin, Enema etc and some other medicines have been omitted from the delivery kits. MD NRHM may kindly seek a report from MS Jalandhar and organize a meeting at my level with the Gynaecologists who had finalized the original list. Meeting will be held on **3/6/2011 at 12:00 Noon.**
