Team of MOs and Paramedical Staff of School Health Clinic, Basti Guzan Jalandhar visits Schools four days a week as per the Tour Programme and rest of the two days are used to examine referred students clinically. of School Health Clinic, Basti Guzan Jalandhar has the facilities for Dental and ENT ailments. Complicated cases are referred to Civil Hospital, Jalandhar.

In the peripheral areas Medical Officers, Rural Health service Providers visit the schools, identifying the suffering students, and doing the needful or referring them to the nearby health facility.

The commonest, ailments detected are Anemia, Scabies, Worm infestation, Caries and Upper Respiratory diseases. The program can be more effectively run if there is abundant supply of Medicines for these common ailments.
