* source of data – office of DEO(P) and DEO(S)

- All School children of Govt. and Aided Schools from class 1 to class 12 are screened for Medical, Dental and Refractive Error Problems .
- DT 5years , TT 10 years ,TT 16 years immunization
- Primary School Children are screened twice a year and upper primary school children are screened once a year.
- Children with CHD/RHD are detected on clinical examination and referred for free treatment at PGI Chd.
- Children with refractive error are provided with free specs.
- Children with dental problems are referred for free dental treatment at PHC/CHC/CH .

- Deworming of all school children has been done
- Fe/Folic acid tabs have been distributed in all schools to be given to children along with midday meal.
- Special camps organized for school children on the eve of Independence day, Mahatma Gandhi Jayanti , Childrens day.
- Teachers have been trained in screening children with Ref.Error and dental caries.
- Eye Charts have been provided in all schools .
- Water sampling and mid-day meal sampling done randomly.

GOAL : 100% Coverage of all School Children studying in Govt. and Aided schools.

OBJECTIVES:

- Early detection and early treatment of children with minor ailments, in order to reduce child morbidity and mortality as children are the future of nation.
- Detection of children with CHD/RHD and Cancer and their referral to PGI for free treatment.
- Provide DT and TT immunization services in schools.
- Spread health awareness to school children on preventive and curative methods.
- Impart health education to school children on nutrition, dental and personal hygiene, water and vector borne diseases, ill-effects of drug addiction, HIV/AIDS , ARSH, Female Foeticide and other national programmes .
- Provide referral services to all children requiring treatment and ensuring their free treatment in all govt. hospitals.
- Detection of disabilities in school children and their rehabilitation.
- Provide safe drinking water and sanitation in schools

STRATEGIES

- Advance Tour Programme of all MO's/RMO's for the entire year made by Dist. School health medical officer .
- Providing an incentive of Rs 100/- to RMO's.
- Supervision and monitoring of the programme by District School Health Officer on a regular basis.
- Providing POL to District School health officer for supervision and monitoring.
- Review of the Programme Achievement by civil surgeon during monthly meetings of SMO's with CS.
- Regular interaction with DEO(P) and DEO(S).
- Regular interaction with school heads.
- Regular Training of teachers in screening children with refractive error , dental problems and first aid..
- Training of teachers for ARSH.

- Involvement of schools in all health activities ,including celebration of health days by organizing seminars .debates .poster making competitions ,quiz, etc.
- Organizing special camps in areas where coverage is less .
- Active Involvement of NGO's/IMA/IDA/RED CROSS/YOUTH CLUBS in organizing such camps should be encouraged.
- Regular collection of water and mid-day meal samples from schools.
- Strengthening of school health clinic at the district with additional para-medical staff and a vehicle exclusively for school health
- | | |

| - Pharmacist | 1 |
| - ANM | 1 |
| - Helper | 1 |
| - Health educator | 1 |
| - Computer with computer assistant | 1 |
| - ophthalmic officer | 1 |
- Special drive should be carried out atleast once a year to de-worm all school children.
- Funds should be made available in school health for IEC activities like posters , pamphlets, audio-visual aids etc.
- Should plan a monitoring and supervision calender at block and district level.
- MMU's can be used for actively for this programme by utilizing their investigating facilities like X-rays, Lab tests etc.
- Provision of transport services for the referred children to be brought to hospitals for treatment.
- Funds should be made available for specs to school children.
